

School Profile: Nuestro Mundo Community School

Introduction

This year, Nuestro Mundo Community School aims to continue the outstanding progress we have experienced over the last three years. We will accomplish this through a continued focus on setting kids up to participate in academic conversations. We will work to provide more meaningful independent and group work in the classroom, and finally, we will continue to build upon the safe, welcoming environment you have come to expect at our school. Parents will play a key role in our continued success, and we look forward to teaming with you to carry on this important work.

Strengths

Our strength lies partly in the skill, dedication and care that our teachers and staff bring to their work. The other part lies in the high level of involvement from our families. It is only by forming a powerful partnership between the school and the home that a school can reach its true potential.

Progress

Last year proved to be very successful for our school. These successes include:

- Highest attendance rate of any Madison school for the 4th year in a row
- Highest percentage of students reaching their growth goals in Reading for the 2nd year in a row
- Highest percentage of students reaching proficiency in Math and Reading in the past 4 years

Areas for Growth

This year, we will continue to focus on academic discussions within the classroom, the development of reading skills, and a calm, welcoming environment.

Vision Connection

By providing bilingual education we support MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence and community connection. Through these skills and abilities, our students will graduate college, career and community ready.

Attendance Rate 96.2%
Total Enrollment 314

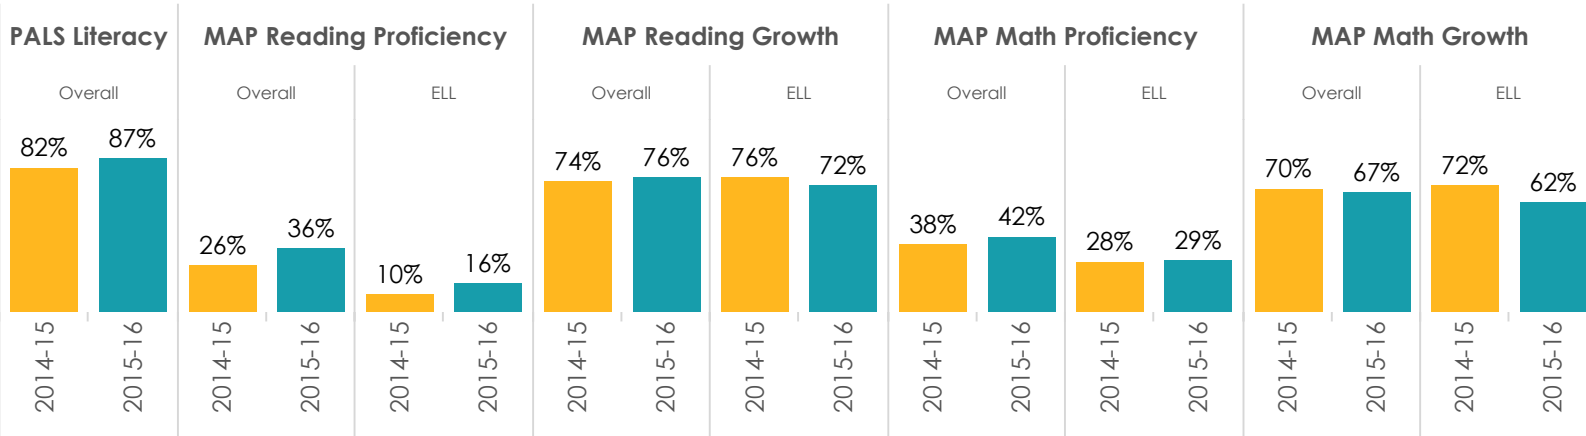

Demographics

ELL	58%
Low-Income	60%
Special Education	12%

Strategic Framework Goal #1 Milestones: On-Track to Graduate

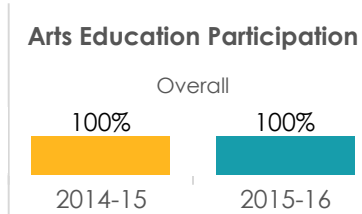

Each bar shows the percent of students meeting the relevant metric overall and for the focus groups the school selected on their School Improvement Plan (SIP, when applicable).

PALS includes English and Espanol in Grades 1-2. MAP includes Grades 3-5. MAP Growth is based on the percent of students meeting typical Fall to Spring growth targets.

Strategic Framework Goal #2 Milestones: Challenging and Well-Rounded Education

The table below shows the percent of students meeting the relevant metric.

Participation rates are based on transcribed courses.

Strategic Framework Goal #3 Milestones: Positive Climate

The table below shows the percent of responses within each dimension and group that were positive.
