Nuestro Mundo Community School provides a unique educational experience for students in Kindergarten through fifth grade. Our culturally diverse staff is dedicated to developing bilingualism and biliteracy in all students. Our students strive for academic excellence through the combination of high educational standards, dual language instruction and a wealth of cultural resources. We believe that a great education comes from great teaching, positive meaningful relationships with students, and strong connections with families. Our school improvement efforts this year are centered on developing resilience in our teachers, students, and families.

Equity Vision

All students at Nuestro Mundo will leave our building each day feeling that all identities are valued, that all students are heard, allied, challenged, and accomplished.

School Principal:
Josh Forehand

Strengths

Our strength lies partly in the dedication and care that our teachers and staff bring to their work. The other part lies in the high level of involvement from our families. It is only by forming a powerful partnership between the school and the home that a school can reach its true potential. Additionally, a key strength at Nuestro Mundo is top-quality staff that are aligned in pursuit of a common goal.

Progress

Last year proved to be very successful for our school. Those successes include:

- Highest attendance rate of any Madison school for the 5th year in a row
- Increased percentage of students reaching their growth goals in Reading for the 5th year in a row
- A significant increase in the number of students reaching proficiency in Math

Area for Growth

We continue to strive for that moment when our ELL students perform on par with their English proficient peers. We are targeting small group differentiated instruction as a strategy to push all students toward better reading proficiency and accelerate ELL students in order to close the gap.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.

SAGE Yes
Attendance rate 95.6%
Total enrollment 309

2017-2018 Data Profile

Demographics

English Language Learner 54%
Low-income 56%
Students with disabilities 12%

Strategic Framework Goal #1 Milestones: On-Track to Graduate

Each bar shows the percent of students meeting the relevant metric overall and for the focus group the school selected on their School Improvement Plan (SIP) when applicable.

Strategic Framework Goal #2 Milestones: Challenging and Well-Rounded Education

Participation rates are based on transcribed courses.

When no goal for the measure has been set "No Goal" will be displayed in the bar.

Strategic Framework Goal #3 Milestones: Positive Climate

Each bar shows the percent of responses within each dimension that were positive overall. When no goal for the measure has been set "No Goal" will be displayed in the bar.
